

FAQ: Chain Membership Indicators for Tasks

FAQ:

In the My activities List and the Active Task List, tasks have a **Chain Membership Indicator**. Which indicators are there and what do they mean?

Chain Membership Indicators for Tasks

Task is a member of the **Current Critical Chain** for the project

Task is a member of a non-critical feeding chain within the project

Task is a member two or more chains:

- the *Current Critical Chain* for the project
- a “Milestone” Chain leading up to a Milestone Buffer

Task is a member of a Milestone Chain
